Tea at Tiffin

Our tea is made with the finest whole loose leaves, imported and blended with pride by Tea Palace, London.

Enjoy tea the traditional way and be sure to have a free top-up for that 2nd cup!

We've chosen a great selection of traditional black teas, healthy green teas and delicate white teas.

Traditionally, black teas are served with milk; green and white teas are considered better without.

Caffeine intolerant?

Rooibos is a naturally caffeine-free tea, white and green teas are naturally low in caffeine.

Our fruit and herbal infusions don't contain any actual tea leaves so are completely caffeine-free and delicious.
