A word from our Tea Sommelier

We've chosen a great selection of traditional black teas, healthy green teas and delicate white teas for you to enjoy the traditional way, made with loose tea leaves.

The finest early pick whole leaves are imported and blended for us by Tea Palace of London. Your leaves will infuse at least twice, often 3 times, so you can enjoy your choice even more.

Our house tea range is chosen for taste. Classic black teas are served with extra hot water and milk.

Feeling adventurous? Try a speciality tea or one with a classy exotic flavour. Aromatic, inspiring and delicious.
